BASKETS AND DECORATION

Furniture, baskets and kitchen tables

Our business is a young and quality committed company in Jalisco, Mexico. We commercialize gift, home and decor wicker items, with 9 years of experience in handcraft manufacturing and development. We are the current market leaders nationwide.

All our products are made with natural fibers, handcrafted by mexican artisans, making it a sustainable product. They are made with innovative and functional designs. We got a great diversity of products with different forms, sizes and measures.

STAINLESS STEEL

Specialized in hospital, industrial and food industry

Dedicated to the manufacture, sale, design, installation, and maintenance of stainless Steel furniture specialized in hospital, industrial and food industry.

We offer high quality products, project designs, consulting, and optimization of space. We produce doors, frames, examination tables, cabinets, railings, stairs, industrial kitchens among others.
